

COMPANY PROFILE

Reliable road transport solutions for the greater Luzon area — built on trust, responsibility, and accountability.

WHO WE ARE

ABOUT US

Road Pro Trucking and Trading Inc. is a domestic corporation organized under Philippine law, founded in 2014 in Subic Bay Freeport Zone. Headed by Mr. Michael Devilla, President and CEO.

Road Pro is manned with well-trained drivers and top-of-the-line trucks and equipment, serviced and maintained by our own shop on a regular basis. Drivers are carefully screened before hire — we require honesty, good physical condition, and a drug-free lifestyle.

OUR FOUNDATION

CORE VALUES

OUR MISSION

To become the leader in trucking with reliable, efficient, and superior services in the greater area of Luzon and trading services, nationwide.

COMPANY VALUES

- Provide superior transport solutions conforming to customer needs
- Maintain service excellence through innovative and cost-effective approaches
- Develop partnerships with customers ensuring dedicated, credible service
- Attract and retain an engaged, driven workforce

Dedicated to providing real quality service and equipment to meet the expectations of our clients.

OUR DIRECTION

KEY INITIATIVE

Road Pro aims to develop a reputation as a quality provider of express road transport of goods and trading services — built on a culture of trust, responsibility, and accountability.

- 01** Continuous improvement of service standards through promotion of compliance
 - 02** Restructure staff to support and improve overall growth and system compliance
 - 03** Continued focus on staff training with ongoing emphasis on reporting
-

We take pride in our Honest, Reliable, and Excellent Customer Service.

OUR SERVICES

01

PETROLEUM & FUEL HAULING

Primary operation — safe transport of oil and gasoline from plant to stations within SBFZ and surrounding areas.

02

TRUCK & EQUIPMENT RENTAL

Full fleet available for short and long-term rental — trucks and heavy equipment serviced by our own in-house maintenance shop.

03

TRADING & CARGO SERVICES

End-to-end trading and cargo logistics across SBFZ. Positioned for growth across Luzon with a stable, promising pipeline.

04

IMPORT & EXPORT SUPPORT

Cross-border and port-side logistics within the Subic Bay Freeport Zone — facilitating smooth import and export operations.

OUR COMMITMENT

HEALTH & SAFETY

Road Pro ensures all cargo reaches destinations safely and without setbacks. Occupational Health and Safety procedures are strictly adhered to on all operations.

We implement a strict alcohol and drug policy — zero tolerance applies to all personnel. All company drivers are continually provided with PPE and in-service training.

We make it a priority to keep our staff, equipment, and community safe.

SPECIALIZED DELIVERIES

From hazmat-certified tankers to food-grade runs — we're equipped for cargo that demands expertise.

TANKER

PETROLEUM & HAZMAT

Certified tanker transport of petroleum products, fuels, and regulated cargo with full safety compliance.

PORT OPS

PORT & CUSTOMS LOGISTICS

Seamless port-side pickup, customs coordination, and last-mile delivery within the Subic Bay Freeport Zone.

HEAVY LIFT

HEAVY EQUIPMENT HAULING

Movement of construction machinery, industrial equipment, and oversized cargo across Luzon.

FOOD GRADE

FOOD-GRADE & TEMPERATURE CONTROL

Dedicated runs for food manufacturers requiring hygiene-compliant, time-sensitive delivery.

INDUSTRIAL

INDUSTRIAL SUPPLY CHAIN

Regular route servicing for manufacturing and industrial clients — scheduled, reliable, monitored.

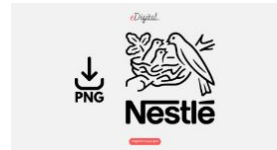

RELAY

MULTI-MODAL RELAY

Truck-to-port or port-to-warehouse relay services connecting maritime freight with inland distribution.

TRUSTED PARTNERS

Proudly serving industry leaders across food, maritime, logistics,
and utilities.
